

Property - Terrorism

Policy wording

Except where specifically stated below, the General terms and conditions, the Property definitions and the terms and conditions of the Buildings, Contents and Business interruption sections all apply to this extension.

1. In return for the additional premium **you** have paid for the Buildings and Contents part of this extension, this **policy** extends to cover **damage**, occurring during the **period of insurance** and caused by an act of terrorism (as defined below), to the **property** insured under the Buildings and Contents sections of this **policy** located in England, Wales or Scotland (not including the Channel Islands or the Isle of Man), but only where the act of terrorism has been certified as such by Her Majesty's Government or Her Majesty's Treasury or any successor authority.

If you have paid the additional premium for the Business interruption part of this extension, **we** shall regard **damage** occurring during the **period of insurance** and caused by an act of terrorism (as defined below) as **insured damage** for the purposes of the Business interruption section of the **policy**, but only where the act of terrorism has been certified as such by Her Majesty's Government or Her Majesty's Treasury or any successor authority.

2. Any exclusion of **terrorism** within the Buildings, Contents or Business interruption sections will not operate to negate the coverage given under this extension.
3. For the purposes of this extension, an act of terrorism shall mean an act of any person acting on behalf of, or in connection with, any organisation which carries out activities directed towards the overthrowing or influencing, by force or violence, of Her Majesty's government in the United Kingdom or any other government de jure or de facto or as otherwise defined in the Reinsurance (Acts of Terrorism) Act 1993 or any amendments to such Act as may be made from time to time.

 - b. **damage** to any computer system or other equipment or component or system or item which processes, stores or transmits or receives data or any part of data, whether tangible or intangible (including, but without limitation, any information or program or software) and whether **your property** or not, where such **damage** is caused by any virus or similar mechanism or hacking or denial of service attack.

As used in 4.b above:

- a. 'virus or similar mechanism' means program code, programming instruction or any set of instructions intentionally constructed with the ability to damage, interfere with or otherwise adversely affect computer programs, data files or operations, whether involving self-replication or not. The definition of 'virus or similar mechanism' includes, but is not limited to, Trojan Horses, worms and logic bombs;

 - b. any terms and conditions which provide for adjustment of the premium based upon declarations by **you**; or
 - c. any extension to cover property located outside England, Wales or Scotland; or
