**How much we will pay**

**We** will pay up to the **amount insured** unless limited below or shown in the schedule. **We** will pay for no longer than the period shown in the schedule against each insured item.

If **you** are accountable to the tax authorities for Value Added Tax, the amount **we** pay will be exclusive of such tax.

The amount **we** pay for each item will be calculated as follows:

Loss of income

the difference between **your** actual **income** during the **indemnity period** and the **income** it is estimated **you** would have earned during that period or, if this is **your** first trading year, the difference between **your income** during the **indemnity period** and during the period immediately prior to the loss, less any savings resulting from the reduced costs and expenses **you** pay out of **your income** during the **indemnity period**. **We** will also pay for **increased costs of working** and **alternative hire costs**;

Loss of gross profit

the sum produced by applying the **rate of gross profit** to any reduction in **income** during the **indemnity period** plus **increased costs of working** and **alternative hire charges**, less any business expenses or charges which cease or are reduced;

Outstanding debts

any of **your** outstanding debts which **you** are unable to recover following loss of **your** accounting records as a direct result of **insured damage** or **insured failure**.

Accountant's charges

Under insurance

If the **annualised amount insured** is less than 85% of **your** actual **income**, or **your** actual **gross profit** if applicable, during the 12 months immediately preceding the date of the **insured damage**, **insured failure** or restriction, the amount **we** pay will be reduced in the same proportion as the under insurance.

Business trends

The amount **we** pay for loss of **income** or loss of **gross profit** will be amended to reflect any special circumstances or business trends affecting **your business**, either before or after the loss, in order that the amount paid reflects as near as possible the result that would have been achieved if the **insured damage**, **insured failure** or restriction had not occurred.
